Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo XC40 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. Owing to the more realistic test conditions, the fuel consumption and CO₂ emissions measured in accordance with the WLTP are in many cases higher than those measured using the NEDC.

SAFETY						
Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Understeer Control Logic, Advanced Stability Control, Roll Stability Control, Driver Steering Recommendation, Sport Mode, Dynamic Torque Vectoring and Trailer Stability Assist (only with the tow bar) Traction Control (TC) including Corner Traction Control with Torque Vectoring Spin Control including Engine Drag Control				●	●	
City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians (active up to a speed difference of 50 km/h, day and night), including active braking assistance				●	●	
Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)				●	●	
Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering				●	●	
Driver Alert Control (DAC): system that detects and warns of tiredness				●	●	
Connected Safety technology including Slippery Road Alert and Hazard Light Alert				●	●	
Automatic braking after a collision				●	●	
Indirect Tyre Pressure Monitoring System (iTPMS)				●	●	
Ultra-resistant structure of vehicle interior and roof in boron steel				●	●	
Collapsible steering column				●	●	
Automatic unlocking after a collision				●	●	
Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear				●	●	
Front airbags including driver's knee airbag, SIPS® side airbags and inflatable curtains				●	●	
WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats				●	●	
Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back				●	●	
Emergency brake lights				●	●	
Power-operated child safety lock in rear doors				●	●	
Isofix anchorages for the outer positions of the rear seat				●	●	
Front passenger airbag cut-off switch				●	●	
DRIVER ASSISTANCE						
Road Sign Information (RSI) with Speed Limiter: display of road sign information with excess speed warning and automatic speed limiter				●	●	
Ready to Drive notification: function that informs the driver via a sound and a visual notification if the vehicle is still standing still even though the vehicle in front has moved a certain distance or exceeded a certain speed				–	●	
PERSONAL SAFETY AND CONVENIENCE						
Keyless Start: starts the engine without a key				●	●	
Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions				●	●	
External and internal approach lighting, turned on when the vehicle is unlocked				●	●	
Follow Me Home safety lighting				●	●	
Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision				●	●	
Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof				●	●	
Immobiliser				●	●	
Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)				●	●	
Tyre repair kit				●	●	
CLIMATE CONTROL						
Single-zone electronic automatic climate control with humidity sensor, air recirculation function and pollen filter				●	–	
Two-zone electronic automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter				–	●	
Clean Zone: IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter				●	●	
Pre-ventilation and post-climatisation function for the interior of the vehicle when the engine is switched off				●	●	
Front wipers blades with integrated washers ("Aquablades")				●	●	
Rain sensor with adjustable sensitivity level				●	●	
INTERIOR						
Bella Small textile upholstery				●	●	
Charcoal Origin inlays in the dashboard and the front doors				●	●	
Blond headlining				●	●	
Black simili-leather gear lever knob with Glossy Black inlay				●	●	
Black simili-leather steering wheel, height- and depth-adjustable				●	●	
Comfort fronts seats with manual adjustable height and length				●	●	
Adjustable driver seat cushion incline				●	●	
Front power-operated four-way lumbar support				●	●	
Charcoal central console at front with armrest and large storage compartment, two cup holders and two open storage compartments				●	●	
Rear seats with folding back in two parts (60/40)				●	●	
Textile floor mats at front and rear				●	●	
Interior lighting including vanity mirror with light on the driver's side, reading lights in front and load compartment lighting				●	●	
Interior rear-view mirror with manual dimming				●	●	
12 V socket on the right-hand side of the load compartment				●	●	
Cruise control with speed limiter				●	●	

● = Included | – = Not included

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs reimbursement outside the manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty can also be transferred to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained personnel: your Volvo remains in optimal condition

* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6d) emissions standard), a more realistic procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO₂ emissions from the car in practice. The CO₂ emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

V O L V O

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO₂ emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 16% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Further information, specifications and conditions relating to our Volvo Car Extended Services is available in Dutch and French and can be found at volvocars.be/extendedservices-nl, volvocars.be/extendedservices-fr or volvocars.lu/extendedservices.

The price of the car (with engine B3 or B4) includes access to the following digital services for a period of 4 years after the start of the data subscription: Google Assistant, Google Maps, Google Play Store, the Volvo Cars app remote functions and data for the above services. After that period a paid prolongment or renewal will be suggested to the owner and/or registered driver of the car.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
