Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo XC60 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle.

SAFETY

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians and large animals (active up to a speed difference of 50 km/h, day and night), including automatic steering assistance (Steer Assist system active between 50 and 100 km/h) and active braking intervention

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (ITPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Run-off Road Protection: protection if the vehicle leaves the road, with path correction (Run-off Road Mitigation), including energy-absorbing front seat cushions

Frontal airbags including driver knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Power-operated child safety lock on rear doors

Isofix anchorages for the outer positions of the rear seat

Front passenger airbag cut-off switch

DRIVER ASSISTANCE

Rear Park Assist Camera

Rear Park Assist with auto brake function

Cruise control with speed limiter (not with option 132)

Advanced Driver Assist System (ADAS) sensor platform

Road Sign Information (RSI) with Speed Limiter: display of road sign information with excess speed warning and automatic speed limiter

Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

Drive Modes: up to 5 modes (Comfort/Offroad for mild hybrids, Hybrid/Pure/Offroad/AWD/Power for plug-in hybrids and Hybrid/Pure/Offroad/AWD/Polestar for Polestar Engineered) with different parameters for the use of the combustion and/or electrical engine, throttle response, automatic gearbox, start/stop function, optional all-wheel drive, assisted steering, brakes, climate control and optional adaptive cruise control

MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two display modes : Calm and Navi

9" center display with touchscreen to control most of the functions

Infotainment system with Digital Services | 4 years subscription included to enjoy the different services:

- Google Maps: navigation and public charging stations locator directly on the centre display
- Google Assistant: speech and planning of route through "Hey, Google"
- Google Play Store: entertainment with access to a wide range of existing and coming in-car apps such as Spotify®
- remote functions via the Volvo Cars app
- data for the above services

Apple CarPlay®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Wireless charging for smartphone in the central tunnel (electromagnetic induction technology only)

Integrated assistance service with E-Call function and SOS assistance service for emergencies

Volvo Cars services for roadside assistance via Volvo Assistance | 3 years subscription included

High Performance audio system with RDS radio, Internet radio, 10 speakers (4 tweeters, 2 mid-range and 4 woofers) and 220 W amplifier

DAB+ (Digital Audio Broadcasting)

4 USB-C connections: 2 in the central console and 2 at the rear of the tunnel console

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into steering wheel for driver display, cruise control, audio, telephone, optional navigation system and voice commands

PERSONAL SAFETY AND CONVENIENCE

Keyless Start: starts the engine without a key

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

External and internal approach lighting, turned on when the vehicle is unlocked

Follow Me Home safety lighting

Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision

Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof

BRIGHT DESIGN

for T6 AWD

ESSENTIAL STANDARD EQUIPMENT

Immobiliser
Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)
Tyre repair kit
CLIMATE CONTROL
Two-zone electric automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter
Pre-ventilation and post-climatisation function for the interior of the vehicle when the engine is switched off
Clean Zone: IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter
Front and rear wipers blades with integrated washers ("Aquablades")
Rain sensor with adjustable sensitivity level
VERSATILITY
Ticket holder on driver's side of the windscreen
Storage nets in backrest of front seats
Flat load floor with rear seat backrest folded down
Nylon safety net between the back seats and the luggage compartment
Luggage cover with load position function
Storage space beneath at the rear end seats for magazines, newspapers, tablet or small laptop (removed in combination with option 322)
Storage space beneath luggage compartment floor
Four folding load retainer eyelets in luggage compartment
INTERIOR
Manually operated Comfort front seats with fixed lumbar support, power-operated height adjustment and seat cushion incline adjustment
City Wave textile upholstery
Rear seat with folding two-split 60/40 backrest and central armrest with load hatch for long objects
Power folding rear head restraints
Power-operated two-way lumbar support in front seats
Aluminium front door sill moulding with Volvo logo
Textile floor mats at front and rear
Height- and depth-adjustable steering wheel with Silk Metal inlay
Interior lighting Plus, including illuminated vanity mirrors at front, dimmed lighting at front and floor lights at front
Interior rear-view mirror without trim, with automatic anti-glare function
12 V socket in the luggage compartment
Active Noise Control with EOE (Engine Order Enhancement) (only on mild hybrid petrol engines)
EXTERIOR
LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and automatic headlights
LED rear lights
18" alloy wheels with Recharge™ all-season 18" tyres 235/60 R18
Dynamic chassis
Power retractable, heated outer rear-view mirrors with automatic dimming and integrated LED indicator
Roof spoiler

T6/T8 AWD PLUG-IN HYBRIDS ADDITIONAL STANDARD EQUIPMENT

RECHARGE
Tilt and slide panoramic sunroof with integrated power-operated sun curtain
Preconditioning to cool/heat the cabin to comfort temperature
Predictive Efficiency: function that optimises the use of the electric engine and the battery capacity based on the destination entered
One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal
Acoustic Vehicle Alerting System (AVAS) at slow speed
Aluminium front door sill moulding with Recharge logo (not on Polestar Engineered)
Air-ventilated subwoofer
Active Noise Control with EOE (Engine Order Enhancement) and EOR (Engine Order Reduction)
10A charging cable with Schuko socket (for domestic use), length 7 m
Recharge AWD emblem at rear (not on Polestar Engineered)

19" alloy wheels with Recharge™ all-season tyres 235/55 R19

Driver Assistance: consists of Adaptive Cruise Control, Pilot Assist and Emergency Stop Assist. Pilot Assist enables empowered driving on motorways and roads with side ground marking up to a speed of 130km/h. It supports you to comfortably follow the traffic flow and can provide pleasant steering support to keep the car centered in its lane. Emergency Stop Assist can bring the vehicle to a complete stop in lane in situations where the driver is not responding to hands-off warnings.

Moritz leather upholstery

Power-operated front passenger seat

Power-operated driver seat with memory function for seat position and outer rear-view mirrors position (incl. automatic angling during parking)

Power-operated four-way lumbar support in front seats

Memory function for front passenger seat position

Front seats with seat cushion extension and additional adjustment of the inclination for passenger seat cushion (manual extension in combination with manual seat(s), motorized in combination with electric seat(s))

Full LED directional headlights with adaptive automatic main beam (Active High Beam II)

LED front fog lights (not available on T6/T8 AWD)

High-pressure headlight washers

Interior lighting Pro (very generous amount of interior lighting including dimmed lighting at front and rear)

Aluminium load sill protection

EXTENDED SERVICES

VOLVO CAR EXTENDED WARRANTY

Drive with **peace of mind**

When you buy a Volvo, you are choosing top quality, safety and reliability. Not only because you are buying a quality vehicle, but also because your Volvo dealer offers you the best service.

An extension of the factory guarantee protects you against high costs in the event of unexpected defects. Thanks to the very comprehensive coverage, you can drive your Volvo for an additional 3 years without any worries when your Volvo manufacturer's warranty expires after 2 years.

Volvo Car Extended Warranty protects you against unforeseen repair costs, even after the Volvo manufacturer's warranty has expired.

GUARANTEED LIQUIDITY IN CASE OF REPAIRS

And extensive repair costs
reimbursement outside the
manufacturer's warranty

VALID ANYWHERE IN EUROPE

The extended warranty
can also be transferred
to the next owner

USE OF GENUINE VOLVO PARTS

And repaired by Volvo-trained
personnel: your Volvo remains
in optimal condition

	List price € excl. VAT	List price € incl. VAT BE	List price € incl. VAT LU	XC60

VOLVO CAR SERVICE PLAN

Plan in advance for a greater peace of mind

Rest assured with Volvo Cars' official maintenance programme. You pay a one-time premium when you sign the Volvo Car Service Plan contract and you no longer have to worry about the maintenance of your Volvo. Our technicians, trained by us, will maintain your car and keep it in perfect condition for years. All parts to be replaced, according to Volvo's official maintenance schedule, are included. So you'll never be faced with financial surprises.

VOLVO CAR SERVICE PLAN

- Volvo Genuine Service according to schedules maintenance intervals
 - health-check
 - software update
- renewal of your Volvo Assistance
- windshield washer fluid top-up 2x/year
- car wash, if available at the chosen Volvo authorised workshop

VOLVO CAR SERVICE PLAN PLUS

An extension of the Service Plan that also includes the following wear parts:

- brake pads
- brake discs
- wiper blades
- 12V battery

DELIVERY PACK

VOLVO CAR DELIVERY PACK

Enjoy a **personalized delivery**

The delivery of a new car is a special moment. And Volvo makes this moment even more special. With the Delivery Pack, we provide a personalized unveiling of your new Volvo followed by a detailed explanation during and after delivery. Of course, we make sure your car is fully roadworthy and equipped to enjoy the Volvo experience right away.

- 5 safety vests
- fire extinguisher
- warning triangle
- front numberplate

- 20 liters of petrol and/or car charged to at least 80%
- detailed explanation of all car features
- Volvo Cars app setup

- car delivered under cover with personalized nameplate
- 1 hour follow-up meeting for all your questions after delivery

TECHNICAL SPECIFICATIONS

ENGINE	T6 AWD	T8 AWD
Engine code	B4204T52 (H1)	B4204T56 (H5)
Engine type	Plug-in hybrid petrol	Plug-in hybrid petrol
Electric engine battery	Lithium-ion 426V	Lithium-ion 426V
Battery energy capacity (nominal) kWh	18,8	18,8
Battery energy capacity (usable) kWh	14,7	14,7
Max. capacity kW/hp/rpm	186/253/5.500 + 107/145/15.900	228/310/6.000 + 107/145/15.900
Max. torque Nm/rpm	350/2.500-5.000 + 309/0-3.280	400/3.000-4.800 + 309/0-3.280
Cylinders/valves/taxable horsepower	4 cylinder line/16/11	4 cylinder line/16/11
Supercharge	Turbo & 40kW starter/generator	Turbo & 40kW starter/generator
Cubic capacity (cc)	1.969	1.969
Bore & stroke (mm)	82 x 93,2	82 x 93,2
Compression ratio	10,3:1	10,3:1
Emissions standard	EURO 6d	EURO 6d
TRANSMISSION		
Motricity	Front wheel drive (combustion engine) & Rear wheel drive (electric motor)	Front wheel drive (combustion engine) & Rear wheel drive (electric motor)
Gearbox	Automatic 8-speed	Automatic 8-speed
PERFORMANCES		
Acceleration 0-100 km/h (sec)	5,7	4,9
Top speed (km/h)	180 / 140 (PURE mode)	180 / 140 (PURE mode)
RECHARGE		
On-board charger (kW)	6,4 (2 phase)	6,4 (2 phase)
Charge time 0-100% (16A/10A) 230V (hours)	3 / 4	3 / 4
EMISSIONS AND CONSUMPTION ACCORDING TO WLTP *		
Fuel consumption (combined) l/100 km	1,0 - 1,3	1,0 - 1,3
Electric power consumption (combined) kWh/100km	19,2 - 21,2	19,4 - 21,2
Electric range (City) km	95 - 83	95 - 83
Electric range (combined) km	78 - 67	77 - 67
CO ₂ emissions (combined) g/km	23 - 30	24 - 30
WEIGHTS AND MEASURES		
Min. curb weight (kg)	2.093	2.093
Running order weight (kg)	2.163	2.163
Max. total weight (kg)	2.660	2.660
Max. braked / unbraked trailer (kg)	2.250 / 750	2.250 / 750
Max. roof load capacity (kg)	100	100
Largest load volume with bench seat back folded down ISO V214-1 (incl. V209) (liters)	1.395	1.395
Load compartment volume ISO V214-2 (incl. V209) (liters)	598	598
Load compartment volume under luggage cover ISO V211-2 (incl. V209) (liters)	468	468
Volume under load compartment floor (with/without spare wheel) ISO V209 (liters)	- / 18	- / 18
Fuel tank capacity (litres)	71	71
Adblue tank capacity (litres)	-	-

DIMENSIONS

EXTERIOR

Length x width x height (empty) on B4 (AWD)	470,8 x 190,2-193,9 x 166,0 cm
Length x width x height (empty) on T6/T8 AWD	470,8 x 190,2-193,9 x 165,6 cm
Wheelbase	286,5 cm
Front track with 18"-19" / 20" / 21" / 22"	165,3 / 164,9 / 165,5 / 166,8 cm
Rear track with 18"-19" / 20" / 21" / 22"	165,7 / 165,3 / 165,9 / 167,3 cm
Turning circle between curbs	11,4 m
Ground clearance (driver included)(standard / with suspension) / Fording depth on B4 (AWD)	21,4 / 20,9 / 40,0 cm
Ground clearance (driver included) / Fording depth on T6/T8 AWD	20,5 / 40,0 cm

INTERIOR

Headroom with sunroof front/rear	96,6 / 96,6 cm
Headroom without sunroof front/rear	99,4 / 98,8 cm
Shoulder room front/rear	147,8 / 143,0 cm
Leg room front/rear	105,5 / 96,5 cm
Min./max. length luggage compartment rear seats-tailgate	75,8 / 96,0 cm
Min./max. length luggage compartment front seats-tailgate	161,6 / 174,6 cm
Height luggage compartment	77,6 cm
Lifting height	61,6 cm
Width luggage compartment between wheel arches	105,5 cm
Min./Max. width tailgate opening	90,5 / 101,0 cm

* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6d) emissions standard), a more realistic procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO₂ emissions from the car in practice.

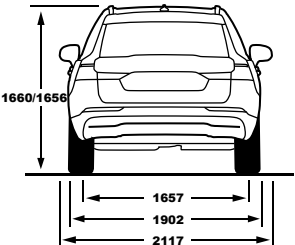

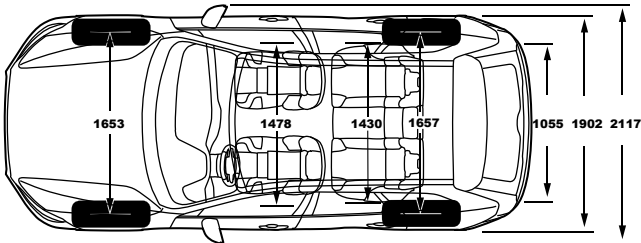

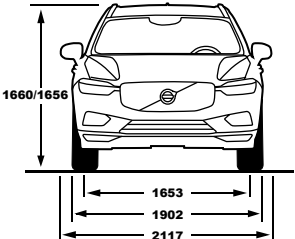

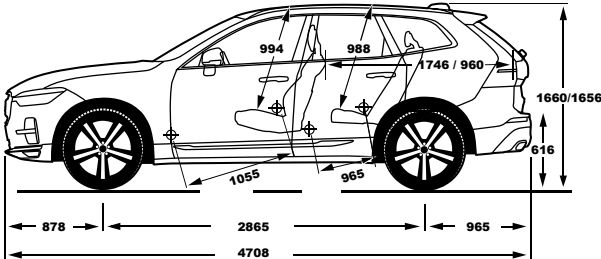

The CO₂ emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

ENGINE	B4	B4 diesel	B4 AWD
Engine code	B420T6 (K9)	D420T8 (K5)	D420T8 (K5)

SPECIFIC WARRANTY

VOLVO RECHARGE:

426V batterie warranty: the batteries undergo normal wear depending on age and use. If the battery capacity falls below 65% of the original state within 5 years or 100.000 km (whichever is reached first) and below 55% between 5-8 years or 100.000-160.000 km (whichever is reached first), the battery will be replaced under guarantee.

V O L V O

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO₂ emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 16% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Further information, specifications and conditions relating to our Volvo Car Extended Services is available in Dutch and French and can be found at volvocars.be/extendedservices-nl, volvocars.be/extendedservices-fr or volvocars.lu/extendedservices.

The price of the car includes access to the following digital services for a period of 4 years after the start of the data subscription: Google Assistant, Google Maps, Google Play Store, the Volvo Cars app remote functions and data for the above services. After that period a paid prolongment or renewal will be suggested.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
