Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

MAINTENANCE AND REPLACEMENT OF WEAR & TEAR PARTS* 5 YEARS OR 150.000 KM
(whichever comes first)

FACTORY WARRANTY ON YOUR VOLVO 3 YEARS OR 100.000 KM
(whichever comes first)

FACTORY WARRANTY ON HIGH VOLTAGE BATTERY 8 YEARS OR 160.000 KM**
(whichever comes first)

* The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' applies to the vehicle specified above, and for a period of **5 years from the date of delivery or 150.000 km** (whichever comes first). The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' covers **periodic maintenance services, every 24 months or every 30.000 km** (whichever comes first), and includes **replacement of the wear and tear parts listed below**.

- Volvo Car Genuine Service at scheduled service intervals
- health check
- air filter replacement
- tyre sealant replacement in accordance with the prescribed interval
- cleaning of the sensors and cameras for the safety systems under the windscreen
- software updates

- **Includes** replacement of the following wear and tear parts: brake pads and discs (when required) and windscreen wiper blades (1x per year).
- **Excludes** replacement of wear and tear parts not explicitly mentioned above.

For more information about the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric', see page 29 of this price list.

** The batteries undergo normal wear depending on age and use. If the battery capacity falls below 70% of the original state within 8 years from the date of delivery or 160.000 km (whichever is reached first), the battery will be replaced under guarantee.

DESIGN

DESIGN

STANDARD EQUIPMENT CORE

SAFETY

Safe Space technology with lidar: system consisting of a 360° safety screen around the car to anticipate hazards within and beyond human vision and prevent collisions. Operates up to 250 meters, both during the day, at night and in case of glare. It consists of:

- 1 lidar on the roof
 - 5 radars
 - 8 cameras
 - 12 ultrasonic sensors
-

Driver understanding system: 2 camera detecting when the driver's attention is no longer focused on the road. It alert the driver or intervene by braking and steering for a safe outcome when needed. If the driver is no longer responsive due to sudden sickness or unconsciousness, the car can automatically brake to standstill within the lane, activate the hazard lights and call for emergency.

Occupant sensing system: roof-mounted interior radars helping the driver to avoid leaving in the cabin loved ones behind in potential danger. The car will alert you if it looks like you're accidentally locking a sleeping child or snoozing dog in the car, while the in-car climate system (if enough battery) can also potentially help minimize the risk of hypothermia and heatstroke.

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Advanced Stability Control, Trailer Stability Assist (combined with the tow bar) and Hill Descent Control, Traction Control (TC) including Corner Traction Control with Torque Vectoring, Spin Control

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

Driver Alert Control (DAC): system that detects and warns of tiredness

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Automatic unlocking after a crash

Tyre Pressure Monitoring System (iTPTS)

Ultra-resistant structure of vehicle interior and roof

Collapsible steering column in a frontal crash

Height-adjustable front safety belts and with pre-tensioners and load limiters

Prepared front safety belts when the car senses a situation of risk for an accident

Run-off Road Mitigation: the car monitors lane markings and road edges with steering correction

Frontal airbags and SIPS® side airbags

Far side airbags inside of the front seats between the occupant and the central console

Inflatable curtains airbags covering all seat rows

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Emergency brake lights

2 Isofix anchorages for the outer positions of the 2nd row and 2 for the positions of the 3rd row (6 and 7 seater)

Interior radar to detect if there is a person sitting in any of the seats (instead of a small bag for example), used for the belt reminder system

Power-operated child safety lock on rear doors

Front passenger airbag cut-off switch

STANDARD EQUIPMENT CORE

DRIVER ASSISTANCE

Adaptive Cruise Control

Automatic Speed Limiter

Driver Awareness: advanced safety alert and intervention system:

- BLIS: Blind Spot Information System with steering assistance
- door opening alert when cars, cyclists or motorcycles coming from behind
- Rear Collision Warning with activation of warning lights, pre-tension of safety belts and full auto-braking
- Cross Traffic Alert: detection up to 30m of vehicles, cyclists or motorcycles coming from the side when reversing, with automatic emergency braking

Rear Park Assist Camera

Front, rear and side Park Assist (rear with auto brake function)

Road Sign Information (RSI) with Speed Limiter: display of road sign information with excess speed warning and automatic speed limiter

Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

MULTIMEDIA & CONNECTIVITY

8" driver information display with 3 display modes : Clean, Car Centric and Maps

14,5" center display with touchscreen and 1600x2560 pixels resolution

Infotainment system with Digital Services | 4 years subscription included to enjoy the different services:

- Google Maps: navigation and public charging stations locator directly on the centre display
- Google Assistant: speech and planning of route with "Hey, Google"
- Google Play Store: entertainment with access to a wide range of existing and coming in-car apps such as Spotify®
- remote functions via the Volvo Cars app
- 5G data for the above services

Wireless Apple CarPlay®: access to third developers apps such as Waze® and WhatsApp®

OTA: Over The Air updates for the car

Digital Key:

- open, close and start your car via the Volvo Car app from a compatible smartphone (for ex. from Apple iPhone XR, Samsung Galaxy S21 and Google Pixel 6)
- share of this digital key to your friends by sending an invitation via the Volvo Cars app
- within 10 meters the car 'wakes up' with a welcome light sequence
- within 1,5 meters the car unlocks, the exterior mirrors unfold, the interior light is activated, the central display shows the charging state and the cable unlocks for 90 seconds

Smart Card Key: open, close and start your car via 2 provided NFC cards

Wireless charging (15W) for smartphone (electromagnetic induction technology only)

4 USB-C connections (18W): 2 for front seats and 2 for second row (5 seater)

6 USB-C connections (18W): 2 for front seats, 2 for second row and 2 for third row (6 and 7 seater)

High Performance audio system with RDS radio, Internet radio, 10 speakers (4 tweeters, 2 mid-range and 4 woofers) and 220 W amplifier

DAB+ (Digital Audio Broadcasting)

Bluetooth® hands-free telephone system and audio streaming

Integrated assistance service with E-Call function and SOS assistance service for emergencies | Volvo Cars services for roadside assistance via Volvo Assistance and comfort features via the Volvo Cars app for smartphone such as (un)lock the car, control the charging status and pre-climatise your car | 4 years subscription included

Large multifunctional and smart controls integrated into steering wheel, connected with the drivers display, for the driving assistance systems, audio and multimedia

CLIMATE CONTROL

Two-zone electronic automatic climate control system (5 seater)

Four-zone electronic automatic climate control system, with additional air vents for the 2nd row managed by a touch screen panel at the rear of the central console (6 and 7 seater)

Additional, separate climate control for the 3rd row with air vents at the rear (6 and 7 seater)

Preconditioning to cool/heat the cabin to comfort temperature, via Volvo Cars app

IAQS (Interior Air Quality System) to improve air quality inside the vehicle, with active filter

Heated front seats

Heat in grille/blem for hidden radars

Front windscreen wiper blades with integrated washers, cleaning also the lidar

Rain sensor with adjustable sensitivity level

STANDARD EQUIPMENT CORE

INTERIOR

2nd row: individual seats with folding head restraints and folding three-split 40/20/40 backrest (5 seater)

2nd row: individual seats with their own armrest, folding head restraints and folding backrest (6 seater)

2nd row: individual seats with length adjustment, folding head restraints and folding three-split 40/20/40 backrest (7 seater)

3rd row: 3 individual seats for passengers up to 1m70 with folding head restraints, electric folding backrest (up and down) and entry function for outer positions of the 2nd row (6 and 7 seater)

Bio-attributed Nordico comfort seats, Charcoal

Power-operated front seats with memory function (length, height, tilt, recline)

Power-operated two-way lumbar support in front seats

Front seats with seat cushion extension

Steering wheel covered in simili-leather, sport grip with stitching and inlay in chrom

Interior lighting Standard including:

- footwell lamps, 1st and 2nd row
- tunnel light in the open storage below the centerstack screen
- cupholder light, 1st row
- central console storage light
- cabin and reading lights in the roof, 1st and 2nd row
- luggage light left and right side
- illuminated vanity mirrors, 1st row

Free floating central console with a large open storage below the center display (space for a bag) and a deep closed storage below the central armrest

4 cup holders: 2 for front seats under a roll-top cover and 2 for second row in the central armrest (5 seater)

8 cup holders: 2 for front seats under a roll-top cover, 2 for second row (at the back of the front center console and 1 in each armrest) and 2 (also for phone) for third row in the side panels (6 seater)

6 cup holders: 2 for front seats under a roll-top cover, 2 for second row in the central armrest and 2 (also for phone) for third row in the side panels (7 seater)

Flat floor

Textile floor mats

Frameless interior rear-view mirror with automatic autodim function

EXTERIOR

Flush, clean and pure design for optimal performance and range:

- flush integrated door handles
- frameless exterior mirrors
- flush glazing i.e. side windows, b-pillar, c-pillar are all in the same surface
- closed front end grill
- aero inserts on the wheels

Fixed panoramic sunroof with dark tinted laminated glass that minimises glare and gives effective UV protection

LED headlights with integrated T-shaped daytime running lights

- Active High Beam
- welcome and farewell sequence playing an illuminated signature

Rear LED light with welcome and farewell sequence playing an illuminated signature

20" alloy wheels

Glossy Black elements:

- trim on side windows
- exterior mirrors caps
- horizontal band across the trunk lid
- applique around the lidar
- lower front grill opening

Colour coordinated fender extenders

Frameless exterior mirrors power retractable and heated, with memory function, integrated LED indicator and on driver's side automatic dimming

EX90 emblem at rear

VERSATILITY

Power-operated tailgate

Flat load floor with 2nd and 3rd row folded down (6 seater: 2nd row with 10% incline)

Storage space beneath luggage compartment floor

Nylon safety net between the back of the 1st of 2nd row and the luggage compartment

Grocery bag holder on left and right side in the luggage compartment

Four folding load retainer eyelets in luggage compartment

12 V power outlet in the luggage compartment

Frunk: 34 liter front load compartment

Load cover behind 2nd row (5 seater)

Load cover behind 3rd row, can be stored beneath luggage compartment floor (6 and 7 seater)

STANDARD EQUIPMENT CORE

PERSONAL SAFETY AND CONVENIENCE

Volvo Guard alarm with movement sensor, inclination sensor en panic function

Keyless Entry:

- passive (un)locking and hands-free opening/closing of tailgate (foot movement under the rear bumper)
 - welcome and farewell sequence playing an illuminated signature in front and rear of the car
-

On top of the Digital Key function and the 2 NFC Smart Card Keys, one classical remote control

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions

Remote-controlled central locking from doors, tailgate, glove box and charge lid. Automatic door locking > 7 km/h and automatic unlocking after a collision

Alcohol lock preparation (to buy separately)

Tyre repair kit in the Frunk

FULLY ELECTRIC

One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal

Heat pump

Acoustic Vehicle Alerting System (AVAS) at slow speed

250 kW max DC charging

16 A charging cable, Mode 3, with Mennekes socket (for charging point), 6 metres

TRIM LEVELS

PLUS

Includes the Volvo EX90 Core equipment supplemented by the specific Volvo EX90 Plus equipment

Bose Premium audio system with 14 speakers incl. subwoofer and 17-channel 940W amplifier

9x3" head-up display with 800x480 pixels resolution

Upper part of the dashboard and door panels at front and rear covered in Benova (simili-leather) Charcoal

Interior lighting High including:

- illuminated decors in instrument panel
- illuminated decors in doors, 1st and 2nd row

Power-operated four-way lumbar support in front seats

Power operated steering column

Air purifier and remote cabin pre-cleaning:

- incl. Advanced air cleaner, Advanced filter, AQS and PM 2.5 sensor (APMS)
- removes up to 95% of all harmful PM 2.5 particles and pollen from the air in the car

Glossy Black elements:

- integrated roof rails
 - lower part from bumpers front/rear
 - lower doors mouldings
 - rear diffusor
-

ULTRA

Includes the Volvo EX90 Plus equipment supplemented by the specific Volvo EX90 Ultra equipment

Front High Definition Pixel lights:

- 1.3 million pixels giving almost unlimited possibilities to adapt the light image to prevailing conditions
- Active High Beam: auto-dims for up to 5 cars and 3 other objects at the same time to optimize vision without dazzling other road-users
- projection of advanced graphic light sequences when approaching the car
- welcome and farewell sequence playing an illuminated signature

360° Park Assist Camera with 3D view:

- 1 front 180° camera up to 20 km/h
- 1 rear camera with trajectory lines and zoom-in function for trailer
- 2 lateral cameras in the door mirrors
- selection of each high resolution camera via the touch function on the central display
- 360° bird-view in 3D via the 4 cameras up to 10 km/h

Massage function in front seats: 5 programs, 3 speeds and 3 intensities

Automatic Soft Close for the doors, for a smooth and silent closing

Laminated side windows and rear windscreen:

- help to reduce noise from the outside so that you and your passengers can enjoy an even quieter ride
- enhance your security as the windows' high resistance to external force makes it hard for a thief to break into your car
- for your comfort, contribute to reduce UV radiation inside the cabin

21" alloy wheels

Lateral support for electric seats at front

High-pressure headlight washers

VOLVO CARE OFFER FOR VOLVO FULLY ELECTRIC

The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' is included* with the purchase of any new, all-electric Volvo. This page describes the services and parts included in the maintenance and service programme for these vehicles.

The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' is valid for a period of **5 years from the date of delivery or 150.000 km** (whichever comes first). The vehicle owner can have the periodic maintenance of his/her Volvo Fully Electric carried out at the prescribed service intervals in any authorised Volvo workshop in Belgium or the Grand Duchy of Luxembourg.

Our in-house trained Volvo technicians maintain the vehicle and keep it in top condition. They also carry out a health check and verify whether the vehicle is equipped with the latest software.

The detailed terms and conditions applicable to this Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric', including restrictions, will be handed over to the first owner of the vehicle by the Volvo retailer who delivers the vehicle. These will remain valid for the stated duration and mileage, even if there has been a change in ownership.

The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' applies to the vehicle specified on page 3 in this price list, and for a period of **5 years from the date of delivery or 150.000 km** (whichever comes first). The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' covers periodic maintenance services, every 24 months or every 30.000 km (whichever comes first), and includes replacement of the wear and tear parts listed below.

- Volvo Car Genuine Service at scheduled service intervals
 - health check
 - air filter replacement
 - tyre sealant replacement in accordance with the prescribed interval
 - cleaning of the sensors and cameras for the safety systems under the windscreen
 - software updates
- **Includes** replacement of the following wear and tear parts: brake pads and discs (when required) and windscreen wiper blades (1x per year).
 - **Excludes** replacement of wear and tear parts not explicitly mentioned above.

* Volvo vehicles with specific service programmes (such as taxis, police vehicles or vehicles with other specific purposes) are not eligible for the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' described above.

The 'Volvo Car Genuine Service' maintenance programme may be amended by Volvo Cars, provided that such amendment will not affect the application of the Volvo Cars warranty or affect the vehicle owner's rights under the Volvo Care Offer.

The inclusion of wear and tear parts in the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' does not affect the reference to 'wear and tear' in the Service and Warranty Booklet.

The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' is subject to the terms and conditions regarding service and maintenance. Should you have any questions about this, please do not hesitate to contact our Volvo retailers.

VOLVO CARE OFFER GENERAL TERMS AND CONDITIONS 'SERVICE & MAINTENANCE FOR VOLVO FULLY ELECTRIC'

1. Application of the conditions

These Volvo Care Offer terms and conditions 'Service & Maintenance for Volvo Fully Electric' apply to new, all-electric Volvo vehicles. These terms and conditions form part of the purchase contract for the vehicle. Regardless of whether the vehicle is purchased from a Volvo Car Corporation entity or from a Volvo retailer, the Volvo National Sales Company or Volvo's importer in the country of first purchase is responsible for this service programme.

2. Validity of the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric'

- The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' is valid for a defined limited period of time, as previously stated and includes, where applicable, defined wear and tear parts of the vehicle, as previously specified. Any work carried out that is not covered by the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' will remain the responsibility of the customer. When all required work has been carried out or when the limited validity period has expired, the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' will end. The maintenance programme will also be considered terminated if maintenance should have been carried out in accordance with the prescribed maintenance intervals (as stated in the owner's manual and the Service and Warranty Booklet for the vehicle) but the vehicle has not been presented to an authorised Volvo workshop to carry out the Volvo Car Genuine Service.
- The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' is linked to the market in which it was originally sold. The periodic maintenance of the vehicle according to the prescribed service intervals can only be carried out in the authorised Volvo workshops within that market.
- Volvo Cars has the right to terminate the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' with immediate effect should the conditions of Volvo Cars' operations in the relevant market change significantly due to circumstances outside of Volvo Cars' control and should these circumstances make it very difficult for Volvo Cars to carry out the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric'. Both parties have the right to terminate the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' with immediate effect should the other party be in serious or repeated breach of its obligations under these terms and conditions.

3. Owner obligations

Periodic maintenance of the vehicle must be carried out according to Volvo Cars' recommendations. Volvo Car Genuine Service in accordance with the prescribed

service intervals, depends on time and annual mileage and may occur at different time intervals. The validity of the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' further requires that the vehicle owner:

- Drives, maintains and manages the vehicle in accordance with the instructions in the vehicle owner's manual (extended version can be found at volvocars.com) and in the Service and Warranty Booklet (included in the vehicle documents).
- Conducts routine checks of the fluid levels in the vehicle between recommended service intervals and, if necessary, fills up at its own expense.
- Delivers the vehicle, at its own expense, to an authorised Volvo workshop for maintenance in accordance with the service intervals specified in the owner's manual and the vehicle Service and Warranty Booklet.

4. Transfer of the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric'

If the vehicle is sold or otherwise transferred to a new owner, the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' follows the vehicle. All remaining services in the maintenance programme can then be used by the new owner in accordance with these terms and conditions.

5. Disclaimer

This maintenance programme Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' does not include any obligation on the part of any Volvo retailer or Volvo Cars to reimburse the vehicle owner in any way for costs, loss of income, loss of time or any other damage caused by the vehicle being temporarily handed over to the workshop for maintenance, or by the vehicle not being able to be used during the period in which it has been handed over to the workshop for scheduled maintenance. Nothing in these terms and conditions shall exclude, limit or modify any warranty, guarantee, term or condition, right or remedy implied or imposed by applicable law which cannot be legally excluded or limited.

6. Applicable Laws and Disputes

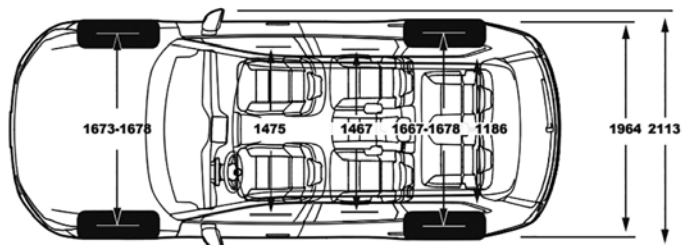

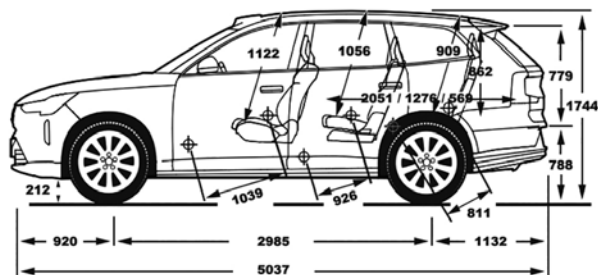

In the event of any dispute concerning the interpretation or application of the Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric', the parties shall seek to resolve this by mutual agreement. The Volvo Care Offer 'Service & Maintenance for Volvo Fully Electric' shall be governed by the laws of the country of first purchase of the vehicle and in the event of any dispute the competent national courts shall have jurisdiction.

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, such as consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 16% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Further information, specifications and conditions relating to our Volvo Car Extended Services is available in Dutch and French and can be found at volvocars.be/extendedservices-nl, volvocars.be/extendedservices-fr or volvocars.lu/extendedservices.

The price of the car includes access to the following digital services for a period of 4 years after the start of the data subscription: Google Assistant, Google Maps, Google Play Store, the Volvo Cars app remote functions and data for the above services. After that period a paid prolongment or renewal will be suggested.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
